Latest News - Autumn 2006

With the Horse of the Year Show imminent and the weather turning colder, we will all be getting our winter rugs out. We can offer you a big bag of sheepskin pieces - ideal for lining the withers, for glueing on where surcingles cross and heaps of other jobs for £10 only including postage and packing.

Good luck to all our customers who are competing at HOYS and to all those showing enthusiasts competing in the Winter qualifiers.
